

Validate your Project Based Learning proficiency, distinguish yourself as a PBL teacher or school leader, be recognized for the work you've accomplished, and impact the PBL community as you connect with Project Based Learning teachers and school leaders across the country.

Prerequisites: Completed PBL Jumpstart, PBL Advanced, and PBL Certification Workshops. At least two years of PBL teaching experience in the classroom, and have completed at least four PBL Units or 16 weeks of PBL implementation.

MISSION OF MAGNIFY LEARNING PBL CERTIFICATION

- Establish standards and systems for certifying qualified PBL teachers and school leaders
- Provide support for growth and access to networks exclusive to PBL
- Engage PBL teachers and school leaders in ongoing professional development

PBL CERTIFICATION PROCESS OUTCOMES

AFTER COMPLETING THE PBL CERTIFICATION PROCESS, THE EDUCATOR:

- ✓ Transitions from PBL teacher to PBL Facilitator
- ✓ Reflects deeply on PBL practice in order to continuously design and deliver high-quality PBL to students
- ✓ Integrates the tenets of PBL into a regular and robust framework of instruction
- ✓ Grows as a professional and develops new ways to help students learn and achieve
- ✓ Joins the network of certified PBL teachers and leaders across the United States
- ✓ Is invited to participate in Magnify Learning leadership opportunities
- ✓ Continues to develop PBL skill set through Recertification
